

# DERMATOLOGY at SANITAS

*Skin diseases can affect all age groups - infants, children, teenagers, adults and the elderly. Our Dermatology specialists are highly skilled and dedicated to providing the highest quality medical and surgical care for your skin.*

From the diagnosis and treatment of complex dermatologic conditions to vital skin cancer screenings, our Dermatologists are available to provide counseling, diagnosis and treatment.

Our Dermatologists have the knowledge and expertise needed to recognize thousands of different skin diseases and offer you the best treatment options available.

Some conditions our Dermatologists handle include but are not limited to:

- o Psoriasis
- o Eczema
- o Rosacea
- o Acne
- o Fungal infections
- o Hair and Nail conditions
- o Moles and warts
- o Skin Cancer

See our website for more information on the full range of Dermatology treatments available to you. Or call us to book your appointment today.
